Note:

**NYU Langone Health**

You have received an encrypted message from NYU Langone Health

Please create a passphrase to secure future messages delivered to you.

Here are some recommendations for protecting your passphrase:

- Use at least 8 characters for your passphrase.
- Use non-alphabetic characters such as numbers or punctuation marks.
- Use an easy to remember passphrase that you don't need to write down.
- Don't use obvious passphrases that can be easily guessed.
- Don't make your passphrase a word or words.
- Don't use famous quotations.

Passphrase:

Confirm Passphrase:
